MINISTRY OF FOREIGN AFFAIRS
REPUBLIC OF KOREA

OAT- 708

Note Verbale

The Ministry of Foreign Affairs presents its compliments to the Embassy of Japan and has the honour to refer to the ashes, still in the custody of the Japanese Government, of some of those Korean nationals who fell during World War II while in the Japanese military service.

While the position of the Korean Government calling for the return of all such ashes to the Korean Government remains the same, and inasmuch as there is a request of the mother of the late [REDACTED] for his ashes, the Ministry wishes to request the Japanese Embassy that the ashes in this particular question be forwarded to the bereaved mother named Mrs. [REDACTED] resident at [REDACTED]

[REDACTED] In this connection, relevant documents - two different sets of family register transcripts and a residence certificate - are enclosed herewith for the purpose of identification.

The Ministry of Foreign Affairs avails itself of this opportunity to renew to the Japanese Embassy the assurances of its highest consideration.

Encl.: as stated.
