To Whom It May Concern:

RECOMMENDATION

The Asia Junior Technical College is erected to serve the uprising demand for the technical development and interchange in the Asian region.

Mr. Chang Won Park, Chairman of the Board of Trustees of the School Foundation, whom I have known for many years, is a thorough man esteemed and well-spoken of in the national educational circle.

I should have no hesitation in recommending the Asia Junior Technical College and Mr. Chang Won Park to you in my full responsibility.

I, as the Chairman of the Korea-Japan Cooperation Council, would like to ask your support for the school, which I believe will contribute much to the technical cooperation, cultural exchange and, furthermore, friendly relationship between Japan and Korea as well as in the Asian region.

Sincerely,

Korea-Japan Cooperation Council

H. Kwon Chung
Chairman
